

Finland Winter Journey: Helsinki, Kemi & Rovaniemi

FINLAND • HELSINKI • ROVANIEMI

6D 5N

Discover Finland through three distinct northern experiences: Helsinki's coastal architecture, Kemi's frozen seascape and Rovaniemi's Arctic adventures. Begin with an unhurried day in the capital before travelling north in an overnight sleeper compartment. In Kemi, board the Sampo Icebreaker for a rare journey across the frozen Gulf of Bothnia, with lunch on board and the option to float safely in the sea wearing a thermal survival suit. Continue through Lapland to Rovaniemi, where Santa Claus Village and optional reindeer, husky or snowmobile safaris bring the Arctic landscape to life. This suggested six-day route leaves generous room for personal pacing and seasonal adjustments.

01

Arrive in Helsinki — a gentle introduction to the capital

Arrive in Helsinki and transfer privately from the airport to your hotel. The rest of the day is left open so the journey can begin at an easy pace. Depending on your arrival time, explore the city independently through landmarks such as the rock-hewn Temppeliaukio Church, Helsinki Cathedral, Esplanade Park, the Sibelius Monument, Havis Amanda fountain, Uspenski Cathedral, Finlandia Hall and the Presidential Palace.
